TO WHOM IT MAY CONCERN

Empowering the future of Uganda's less privileged children is not just a mission; it's our duty, our passion, and our commitment at The Duke's Foundation.

With a steadfast dedication to making a tangible difference in the lives of those who need it most, we extend our heartfelt invitation to join hands with us in our noble cause. As a registered charity organization, The Duke's Foundation operates on the principle that every child deserves access to opportunities, education, and essential healthcare services, regardless of their circumstances.

Our initiatives focus on providing comprehensive support to disadvantaged children across Uganda. From skills training programs to HIV/AIDS sensitization, we are tirelessly working to equip these young minds with the tools and knowledge they need to build a brighter future for themselves and their communities.

At the heart of our efforts lies our commitment to HIV/AIDS awareness and prevention. We recognize the critical importance of educating children and their families, strengthening family units, and ensuring access to life-saving medications. Through our programs, we not only aim to ease access to HIV/AIDS drugs but also prioritize monitoring drug adherence to ensure the well-being of those affected by this epidemic.

We believe that by investing in the potential of Uganda's youth today, we are shaping a tomorrow that is filled with promise, resilience, and hope. However, we cannot achieve this vision alone. We need compassionate partners like you to join us in making a meaningful impact on the lives of these deserving children.

Your support can make a world of difference. Whether through financial contributions, volunteerism, or collaborative initiatives, together, we can create lasting change and uplift communities across Uganda.

Join us in our mission to transform lives and sow the seeds of hope for a brighter tomorrow. Together, we can make a difference.

Thank you for considering our request, and we eagerly anticipate the opportunity to work together for a better future.

With gratitude,

Angeyo Jennifer

Director

The Duke's Foundation
